Use the section below to indicate which course in your general education requirements will be completed by the

required category in the Transfer Ticket. (Do not complete this if you selected Block Waiver)

□ Mapping

Use the space below labeled courses remaining to list specific courses that a student will have to complete for all major requirements. All courses must include credits and grade requirements if applicable.

Course(s) Remaining	Credits	Grade Requirement
Ex: ECO 340: International Money Markets	3	C or better
Pathway30 Total Credits Remaining		

Open Electives

Add the total credits remaining for the Framework30 and Pathway30 (this should not exceed 60 credits). Subtract that sum from 60 and that will be the number of open electives remaining.

Summary of credits at the receiving school:

Framework30 credits remaining: Pathway30 credits remaining: Open Elective credits:
