

Guarantee - TAP Pathway Agreement Form Geography

Institution name Academic Year Guarantee Coordinator Email Minimum GPA for Guarantee acceptance

If different than above, minimum GPA for *major*

The Guarantee - TAP Pathway Agreement Form is designed to facilitate an agreement between the Connecticut State College and University (CSCU) System Office and non-CSCU institutions, henceforth known as receiving schools. The articulation agreements focus on the two components of the Transfer and Articulation Policy (TAP) Associate Degrees, referred to as *Transfer Tickets*. The general education requirements for the Transfer Tickets are listed in a portion of the curriculum known as the *Fiamework30*. The major requirements for Transfer Tickets are included in a section called the *Pathway30*. Completing this document will guarantee that students completing the Geography Transfer Ticket will have no more than660 credits remaining at the receiving school in the (list programs here)

Framework30

Use the area below to select if you will be receiving the Framework30 credits as a Block Waiver *or* will be Mapping course for course.

☐ Block Waiver

For the Block Waiver, indicate how many credits will be waived within your general education requirements. Each school must waive at least 30 credits. Use the space labeled courses remaining to list specific courses that a student will have to complete within your general education requirements. All courses must include credits and grade requirements if applicable. Schools may also list categories (i.e. Humanities, 3 credits) if a specific course is not needed. (Do not complete this if you selected Mapping)

Credits that will be waived within the General Education requirements
