

## Participating Colleges and Universities Offer Hundreds of Degree Programs

Residents of the six New England states are eligible to pay significantly lower tuition (instead of the regular out-of-state tuition rate), when enrolled in certificate, associate, bachelor's and graduate programs that are offered under the New England Board of Higher Education's Tuition Break, the New England Regional Student Program (RSP). Colleges allowing eligibility under the Proximity Policy – for students living closer to an out-of-state college – are flagged with [P]. Colleges offering some or all of their programs under the Flexible Policy – whereby all states are eligible – are flagged with [F].
