

## Highlights of New Hampshire's Participation in the Regional Student Program (RSP): 2021-22

The RSP provides savings on out-of-state tuition to New Hampshire residents enrolled in approved degree programs at public campuses in the five other New England states and provides a reciprocal benefit to eligible New England residents enrolled at New Hampshire's public higher education institutions (HEIs). New Hampshire residents are eligible for more than 1,200 undergraduate and graduate degree programs through the RSP, also known as Tuition Break.
