

## Membership

- Approximately 40 legislators from the New England states
- Members represent leaders of Education Committees and others with a history of leadership and interest in higher education

## Meetings

- Biannual (March and September)
- Opportunity to engage with fellow legislators on pressing higher education and workforce development topics
- Learn from subject matter experts to deepen policy expertise

## Benefits of LAC Membership

- Be a part of the NEBHE network
- Collaborate with peers to strengthen higher education and career pathways
- Engage with innovative research by NEBHE staff and national experts

## Why the LAC?

From Co-Chair Rep Millett (Maine):

"The LAC has been an excellent source of possible approaches to stubborn challenges ... through information sharing among legislators as well as policy experts from across New England and the country."
